## Storefront Showroom Reopening May 19/20

May 15,2020

Dear Valued Customer,

- We continue to encourage you to place orders by phone or email for curbside pickup. Please ensure you wait for the confirmation email or phone call indicating your order is ready before coming to the warehouse. This is still the safest method for you to get the products you need. Uninterrupted delivery service is also available through one of our reliable courier partners We can be easily reached for orders and inquires at:
  - **Phone:** 519-652-9800
  - **Email:**[sales@hamisco.com](mailto:sales@hamisco.com)
  - **Website:** Hamisco.com
- As the province begins to lift operating restrictions, we are now in a better position to allow public access to our warehouse showroom. The health and safety of our staff and customers remains our primary concern and we will still have limited access for the public.
- We are following provincial guidelines with the appropriate preventive measures for our particular workplace setting including social distancing, increased cleaning protocols and limiting the number of customers in-store.

We look forward to seeing our customers and staff together in a safe environment.

Paul Hamilton  
President  
Hamisco Industrial Sales Inc.
