ZUMRO Shelters *General Features, Options and Specifications.*

ZUMRO Emergency Shelters are the *right* choice for *all* Emergency Services. Customize your Shelter with our many available options to suit your needs. Our Shelters and options are always designed with “multiple use” in mind, for example, when outfitted for “Decon” all Shower Stalls and Curtains will be easily removable so the Shelter can be used for Rehab, Triage, Command, Patient Isolation, etc.

	DOOR OPTIONS All ZUMRO Shelters are equipped with “Center Zipper” Doors on both ends. Many optional door configurations are available on either end of the Shelter to further enhance functionality.
